RE: *Quinseya Johnson v. Starbucks*
Case No. 19-cv-11795 (RA)

Dear Judge Abrams:

Application granted. This action is hereby stayed
pending resolution of the parties' arbitration.

SO ORDERED.

Hon. Ronnie Abrams

4/27/2020

The Parties write to request that the Court stay the instant matter pending the outcome of a mandatory arbitration process. In support of this request, the Parties state as follows:

Plaintiff filed this action on December 25, 2019. After receiving the Complaint, Defendant informed Plaintiff that her claims are subject to an arbitration agreement between the Parties. Upon reviewing the document, Plaintiff agreed that this action is governed by that agreement. The Parties thus request that the Court stay these proceeding pending arbitration, thereby obviating the need for Defendant to make a motion.

Defendant's date to answer, move against, or otherwise respond to the Complaint is April 27, 2020. Defendant will be filing a request for extension of this deadline to allow the Court time to rule on this letter motion.

Thank you for your time and attention to this matter.

Respectfully submitted,

Counsel for Plaintiff
